

EMPIRE VIRTUAL TRAINING WORKOUT - BALL HANDLING 2

OPEN YOUR CAMERA APP AND POINT IT AT EACH QR CODE TO WATCH COACH KLEIN'S EXAMPLES!

1. POUND DRIBBLE (LEFT)

Stand straight up, dribble one basketball with your **LEFT HAND** as hard as you can. Dribble the ball up to your chest.

Tip: Don't be afraid to mess up.

Duration: 30 seconds.

2. POUND DRIBBLE (RIGHT)

REPEAT with your **RIGHT HAND**. Dribble as hard as you can up to your chest.

Tip: Go hard during this workout, your shoulders should burn!

Duration: 30 seconds.

3. CROSSOVERS

CROSSOVERS in front of your body.

Same concept as before: stand straight up, chin up, chest up, **POUND** the **CROSSOVERS** from side to side. **HIP HEIGHT!**

Tip: Why **HIP HEIGHT**? If you dribble **HIP HEIGHT**, you can shoot it, pass it, or continue your dribble to attack. Remember to dribble as hard as you can so the defense won't be able to steal it!

Duration: 30 seconds.

4. ONE DRIBBLE, CROSS

Start the basketball in your **RIGHT** hand, take **ONE** hard dribble, then **CROSS** it over to your **LEFT** hand, continue with **LEFT** hand pound dribble, **CROSS** to the right side

Tip: Snap your cross dribbles!

Duration: 30 seconds

5. RIGHT LEG FORWARD, BETWEEN

Extend your **RIGHT** leg out. Dribble the ball **BETWEEN** your legs.

Tip: Work on staying low!

Duration: 30 seconds

6. LEFT LEG FORWARD, BETWEEN

Extend your **LEFT** leg out. Dribble the ball **BETWEEN** your legs. Try to bounce the ball in the center and keep your hands on the outside of the ball.

Tip: Try to beat the amount of reps you got with your right leg forward!

Duration: 30 seconds

7. FIGURE 8

Keep your feet shoulder width apart. Begin to dribble the ball around your legs, in an “8” motion. Repeat, continuously!

Tip: Start slow, once you get the hang of it, speed it up!

Duration: 30 seconds

8. AROUND THE WORLD

Dribble the basketball through one leg to the other leg. Go behind one leg on one side and wrap the ball around slowly to the other side.

Tip: Stay low and use your fingertips!

Duration: 30 seconds

9. ROCK BACK, RIGHT HAND

These are also called "V dribbles", you want to dribble the ball from your **RIGHT** knee all the way to your **LEFT** knee without carrying the ball.

Tip: Start to move your shoulders!

Duration: 30 seconds

10. ROCK BACK, LEFT HAND

Same thing, switch sides! Dribble the ball from your **LEFT** knee to your **RIGHT** knee making a v shape with the dribble

Tip: Careful not to carry the ball!

Duration: 30 seconds

11. BEHIND THE BACK

Keep the dribbles below your butt and keep your butt low. You are going to dribble the basketball behind your back from your left hand to your right hand.

Tip: Chin up, chest up, fast dribbles !

Duration: 30 seconds

12. ONE DRIBBLE, SCISSOR

Find a space about 10 ft wide. One dribble, through the legs twice (scissor dribbles)! One dribble, through the legs twice, **RIGHT** to **LEFT** and **LEFT** to **RIGHT** (one after the other quickly!)

Tip: Once you feel comfortable, try to be light on your feet and stay on the balls of your feet. You don't want to push off from your heel or hear your landing.

Duration: 30 seconds
